Okies for MONARCHS
MONARCH MEETUP

Tues, Oct. 16, 5-7 pm
DURANT, OK
Donald W. Reynolds
Community Center & Library
okiesformonarchs.org

Have questions about gardening for pollinators? Want to meet others in your community who are helping save the Monarchs? Then join us for this Monarch Meetup!

Donald W. Reynolds Library in Durant
Tuesday, Oct. 16, 2018 | 5 – 7 pm

We will have local experts on hand to answer questions about how to plant and maintain your own monarch/pollinator garden. We will also have free seed packets for attendees, as well as darn good company! This free public education series is open to anyone to attend and is a casual come & go social. Bring your friends, family and anyone interested in helping save the monarchs.

This meetup is coordinated by Okies for Monarchs.
